

My First L^AT_EX Document

Your Name

May 15, 2025

1 Introduction

This is a simple L^AT_EX document compiled in Visual Studio Code using the LaTeX Workshop extension.

2 Math Example

Here is an inline math expression: $E = mc^2$

And here is a displayed equation:

$$\int_0^1 x^2 dx = \frac{1}{3}$$

3 Itemized List

- First item
- Second item
- Third item
